Durable Medical Equipment

Guide to symbols used in this catalog.

As you shop through these pages, look for the icons below for additional information on ordering details and product features.

Bariatric Products

The Super Strong symbol highlights products that are able to bear heavier weight capacities — as great as 850 lbs.

Merchandising Program

An essential point of purchase element for your Retail Merchandising Program. Look for this icon for packaging that is ready to display on your retail shelf.

Latex Free Products

Sourcing latex free products should be quick and easy. Look for this symbol for fast, confident ordering.

Tool-Free

Easy-to-assemble! No tools are needed.

Additional reasons to purchase your DME products from Medline.

HME Partnership Program

Medline's comprehensive program provides discounts and value-added benefits depending on the volume of annual business you do with Medline.

Factory Direct Program

Direct shipping from our factory to your door. By eliminating handling and ordering in bulk, you can cut costs and maximize profits!

Limited Lifetime Warranty

The Medline Limited Lifetime Warranty means we stand behind our products, 100%.

We guarantee everything we sell. So rest assured, your Medline brand product is warranted to be free of defects in materials and workmanship for a lifetime for the original consumer purchaser. All Medline products and devices are built to meet our stringent standards, then carefully inspected prior to shipment. Because we are confident in the material and workmanship of our products, we can assure you of years and years of dependable service.

Some exclusions apply: this warranty does not cover device failure due to owner misuse or negligence, or normal wear and tear. The warranty does not extend to non-durable components, such as rubber accessories, casters, and grips, which are subject to normal wear and replacement.

Should you have any problem with a Medline product, please call us. In the event of a defect covered by this warranty, we will use our discretion to take care of the problem right away, either by repairing or replacing the product. If you have a question about your Medline product or this warranty, please call us at 1-800-MEDLINE (1-800-633-5463) or speak to your Medline Sales Representative.

This warranty gives you legal rights, and you may have other rights, which vary from state to state.

HCPCS Disclaimer:

HCPCS codes and Home Health Consolidated Billing codes provided by Medline are intended as general guidelines only. Medline does not guarantee coverage or reimbursement of any products. You must address all coverage and reimbursement issues (including the correctness and accuracy of codes) with your individual payers. It is your responsibility to ensure the accuracy and appropriateness of each claim you submit, in accordance with all applicable payer requirements.

Retail Merchandising Program

Enhance your showroom floors and boost retail product cash sales through our proven merchandising program.

Our Retail Merchandising Program is designed to help you maximize your profitability. From specially designed planograms, to packaging and signage, discover how this program can be an invaluable way to turn your space into a one-stop shop.

Tap into our expertise.

We've conducted and compiled research from HME providers across the country to develop planograms that suggest the best items to feature in the bath safety, walking aids and bariatric categories.

Capitalize on one of the fastest growing, most profitable parts of the HME business.

Now more than ever, HME providers have great opportunity to increase sales, increase profit margins and get paid faster by growing their retail or cash sale business. The explosive growth of baby boomers, the increased emphasis on home care and the beginning of national competitive bidding makes these cash items all the more important to patients and all the more valuable to HME providers.

Create Immediate Selling Opportunities.

This program offers a variety of point-of-sale pieces to help you generate interest and revenue!

Pick the Program That Works for You!

There are 2 Easy Ways to Sign Up:

1. Place a qualifying order for Medline products and receive one four-foot Merchandising Solution program for free.
2. Purchase a Merchandising Solution that's customized for your retail needs.

For complete details, contact your Medline sales representative, go online to Medline.com, or call 1-800-MEDLINE.

I-beam post

MDS80334XW

Aluminum Crutches

- Our push-button crutches are lighter than wood crutches thanks to their aluminum construction.
- Double-extruded, center tube provides load-bearing strength where it is needed the most.
- Special footpiece utilizes durable rivets to secure the aluminum tubing from the inside, providing more stability than plastic connectors.
- Patented, I-beam, center post limits footpiece rotation to a 1/4 turn, always keeping the push-button in view and facilitating easy adjustment.
- Long, virtually unbreakable stair deflector helps protect against the crutch slipping on stairs. It helps increase stress tolerance at all angles without cracking.
- Non-skid, rubber tips provide good traction. Built-in, metal ring helps prevent excessive wear and ensures maximum durability.
- Packaged completely accessorized, no assembly required.

Accessories

Medline Oxygen Tank Holder for Wheelchairs

U.S. Patent #5,288,001

- Economical alternative to steel tank holders.
- Positions the tank off-center to avoid interference with the head and back.
- Made of heavy-duty, waterproof nylon.
- Fits D and E tanks.

Item # WCA6100

Plastic Walker Basket Tray

- Rigid, heavy duty tray has a cup holder and 2 other compartments for holding personal items.
- Fits most walker baskets.
- Dishwasher safe.

Item # MDS86616K1

Double-Sided Quilted Walker Bags

- Hang over the crossbar of the walker and have pockets in front and back.
- Pockets are 13" x 9".
- Machine wash and tumble dry.

Item # MDS86616BS Solid Color

Item # MDS86616BP Pattern

Medline Cup and Cane Holder

- Attaches to wheelchairs, walkers and rollators.
- Convenient clamp attachment.
- Accommodates bottles, cans, and mugs.
- Slotted on 2 sides for cups with handles.
- Keeps your cane secure and ready for use.
- Flexible attachment to fit multiple sizes.
- MDSCUPCANEHW

Economy Walker Basket

- Fits most walkers.
- Attaches using strips of hook and loop.

Item # MDS86616K

Dressing Aids

Medline Dressing and Reaching Kit

- Includes the most popular assistive devices for people recovering from hip, knee or back surgery.
- Helps to maintain independence while limiting the need to bend.
- Includes:
 - Scrubbies™ Long Handled Sponge
 - Raptor Reacher
 - Long Shoehorn with "T" Handle
 - Deluxe Sock and Stocking Aid
 - Dressing Stick

Item # MDSD1410

Deluxe Flexible Sock and Stocking Aid

- Nylon interior reduces friction, while the terrycloth outside holds the sock in place.
- Unique three-finger design bends with the contours of the foot and heel.
- 29" long looped handles reduce the need to bend and are easy to manipulate.
- Hand washable.

Item # MDSD1210

Dressing Stick

- Combination hook/pusher helps put on shirts, jackets, slacks, skirts, etc.
- Essential for anyone with difficulty bending, a limited range of motion or the use of only one arm.
- 24" long.

Item # MDSD1100

Shoehorns, Extra Long

- Reduce the need to bend while putting on and taking off shoes.
- Feature a notch for removing socks.
- 24½" long.

Item # MDSD1320 Shoehorn

Item # MDSD1330 With Plastic Coated Handle

Heel Guide™ Compression Sock Aid

Patents Pending

- Makes putting on compression hose simple.
- Extra wide design is ideal for people with edema or larger feet.
- 17" high handles reduce the need to bend or stretch.
- Easy to assemble.
- Take apart for traveling.

Item # MDSD1230

MBoss™ Sock and Stocking Aid with Ridges

Patents Pending

- Provides maximum benefits at a moderate price.
- Features the popular three-finger design.
- Sock stays open as the three fingers gently bend to accommodate the contours of the heel and foot.
- Loop strap can be manipulated with only one hand and is length adjustable.

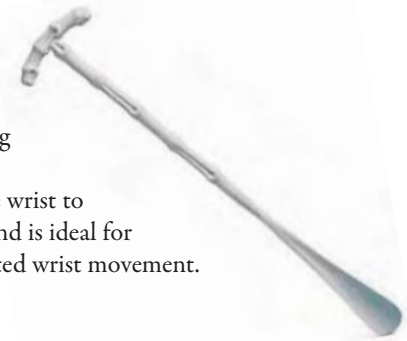

Item # MDSD1220

Shoehorn with "T" Handle

- Long shoehorn, 19½", reduces the need to bend while putting on and taking off shoes.
- Unique "T" handle allows the wrist to remain in a neutral position and is ideal for people with arthritis and limited wrist movement.

Item # MDSD1310

Combination Button Aid/Zipper Pull

- Necessary dressing tool for people with limited use of their hands and finger.
- Features a formed wire buttoning aid on one end and a brass hook on the other end for pulling zipper tabs.
- 8¾" long, soft, built-up, handle.

Item # MDSD1110

Bathing Aids

Lotion Applicator

- 12" long handle is angled for greater maneuverability.
- For lotions, suntan oils, medications, etc.

Item # MDSL1600

Item # MDSL1610 Replacement Pads, Bag of 2

Inflatable Crescent-Shaped Shampoo Basin

U.S. Patent D405,226

- Sized and shaped like a pillow.
- Eliminates the need for repositioning.
- Drain tube on the side for easy drainage into a pail.

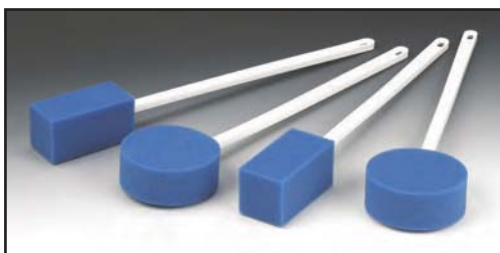

Item # MDSB1100

Scrubbies™ Sponge

- Plastic foam sponge has a 22½" long handle to extend the reach for washing the back and lower extremities without straining.
- Handle has a hole for hanging.

Item # MDSB1200

Easy Shampoo™ Basin

- Compact, comfortable, convenient.
- Inflatable tray comfortably supports and cushions the head, neck and shoulders.
- Double tube design reduces spilling.
- Measures 24" wide x 20" long.
- Drain tube is 38" long.

Item # MDSB1110

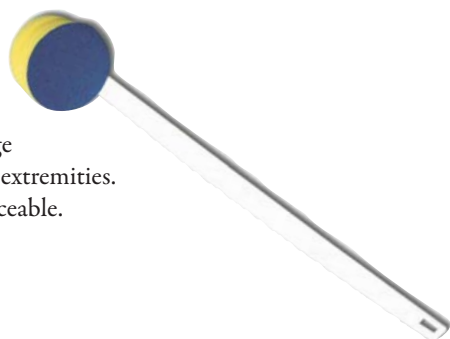

Swiveling Back Scrubbers

- 23" long scrubbers with rotating heads help people with limited range of motion wash the back and lower extremities.
- Sponge is 3¾" diameter and is replaceable.

Item # MDSB1210 Straight Handle

Item # MDSB1215 Curved Handle

We guarantee everything we sell.

Should you have any problem with a Medline product, please call us or speak to your Medline Sales Representative. We will take care of the problem right away, either by cheerfully and promptly exchanging the product or by crediting your account. We're confident our Durable Medical Equipment will provide you with years of convenient, dependable service. If you have questions about our products, call us at 1-800-MEDLINE.

Eating/Feeding Aids

Inner Lip™ Plates

U.S. Patent D226,674

- Inside lip can be used as a wall to help push food onto the utensil.
- Reduces the amount of spillage.
- Dishwasher, autoclave and microwave safe.

Item # MDSF1210S Sandstone

Item # MDSF1210B Light Blue

Item # MDSF1210SC Sandstone, Box of 12

Flo-trol™ Convalescent Vacuum Feeding Cup

- Enables drinking without raising the head or sitting up.
- Allows controlled flow of fluid and limits spills.
- Graduated at 4, 6 and 8 oz.
- Dishwasher and autoclave safe.

Item # MDSF1110

Food Bumpers

- Sanitary bumpers clip onto circular plates, 9–11" diameter, and create a wall that can be used to push food onto the utensil.
- Ideal for people who have difficulty getting food onto utensils and for people who tend to push food off the plate.
- Dishwasher and autoclave safe.

Item # MDSF1410 Natural

Item # MDSF1420 White
