3-Position Adjustable Headrest

Metal Arm Guard Around Armrest

Built-in IV Pole Holder

Activity Tray

ComfortEZ 3-Position Recliner

With 300-pound weight capacity and true 3-position headrest!

You just can't buy a better healthcare recliner. Packed with features, this chair is designed for comfort, versatility, and ease of use. Soft-density foam in the seat and back provides uniform support, while soft, durable Blueridge vinyl upholstery makes cleanup a breeze.

Recliner Features:

- 300-pound weight capacity (tested to 25,000 cycles)
- 3-position adjustable headrest
- Built-in IV pole attachment
- Extra-wide full-length arms
- Metal arm guard around armrests—helps protect upholstery from wear and tear
- Side pocket for charts and magazines
- Easily replaceable casters
- One-year warranty

Safety Features:

- 3-position lock bar—to lock the seat into position during therapy
- Four 5" casters—2 rigid front casters and 2 locking rear swivel casters

Measurements:

Seat dimensions: 19"W x 20"D
 Arm height: 27"
 Seat height: 20"
 Length, fully reclined: 69"

Helpful Hint

Technical Bulletin 133 (CAL 133)

Technical Bulletin 133 specifies acceptable performance levels of smoke and heat release for upholstered seating in the case of fire. All upholstered furniture is generally required to meet CAL 133 in the following states:

California, Illinois, Massachusetts and Minnesota. Please check with your fire marshal for any exceptions.
