

# Medline **STERILIZATION POUCHES**

*Featuring  
Internal  
Indicators!*

**Medline's sterilization pouches, tubing and dust covers offer you a full range of sizes and styles at reasonable prices.**

- **Internal indicators** eliminate the need for an additional indicator strip, saving you time and money (between 20–30% per use).
- **Pre-folding** feature on all self seal pouches means a quick, easy and accurate fold everytime.
- **Large flap and offset lip** for an easy grip and opening.
- **Transparent pouches** have easy-to-read process indicators, both inside and out.
- **Pouches are constructed** from strong, quality materials, which easily withstand heavy instrumentation.

**Ask your Medline representative about additional Central Sterile products, including: sterilization containers, monitoring products, instruments and instrument care and handling products.**
