FREE FIRE BARRIER!

FOR A LIMITED TIME, ORDER ANY
MEDLINE ADVANTAGE-FB MATTRESS
AND GET THE FIRE BARRIER FOR FREE!

APPROPRIATE FLAMMABILITY STANDARDS

MEDLINE ADVANTAGE-FB MATTRESSES MEET THEM ALL!

Beginning July 1, 2007, all mattresses must comply with the new Standard for the Flammability of Mattress Sets (16 CFR Part 1633). Additionally, NFPA 101® Life Safety Code®, Joint Commission and CMS requirements can demand compliance with ASTM E 1590.

BFD IX-11

CAL TB 129

ASTM E 1590

CAL TB 603

16 CFR, Part 1633

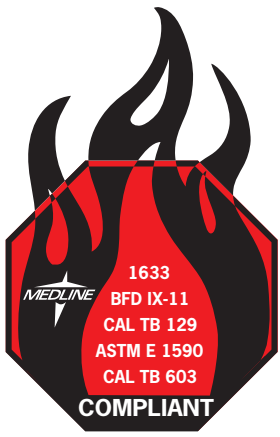

FREE FIRE BARRIER!

Although fire safety standards can be confusing, you can rest easy that Medline Advantage-FB mattresses with INTEGRITY 30® fire barrier meets them all.

Right now, Medline can help you get compliant – for free! For a limited time, we're offering free INTEGRITY30® fire barrier with the purchase of any Advantage-FB mattress.

Medline's Advantage-FB mattresses with INTEGRITY30® fire barrier fabric are certified to meet full-scale testing, including CAL TB 603, CAL TB 129, ASTM E 1590, BFD IX-11 and 16 CFR Part 1633. All foam components used in Medline mattresses featured in this brochure meet or exceed CAL TB 117. In addition, all mattresses featured pass the "cigarette test" (16 CFR Part 1632). It is each facility's responsibility to determine compliance requirements for their mattress purchases.

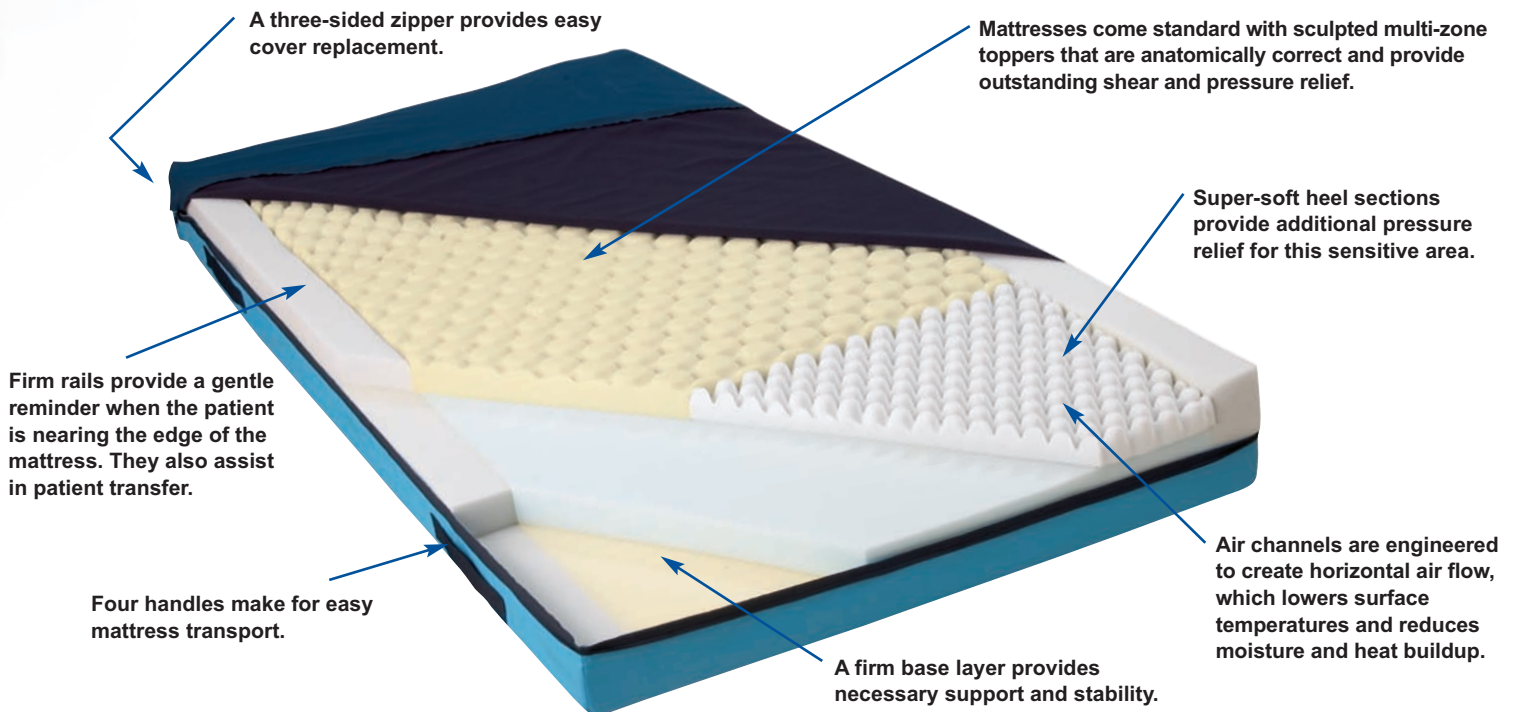

REST EASY.

YOU'RE COMPLIANT WITH MEDLINE ADVANTAGE-FB

Medline Advantage-FB mattresses meet the complete range of full-scale fire tests

Medline Item	Resident Risk Level ¹	Weight Capacity	Warranty	Fire Barrier	Meets Federal Flame Standards
Advantage-FB 3500	Single Site/Stage III	350 lbs.	15 Year	Free	Yes

Advantage-FB 500	Medium to High Risk	300 lbs.	3 Year Unconditional	Free	Yes

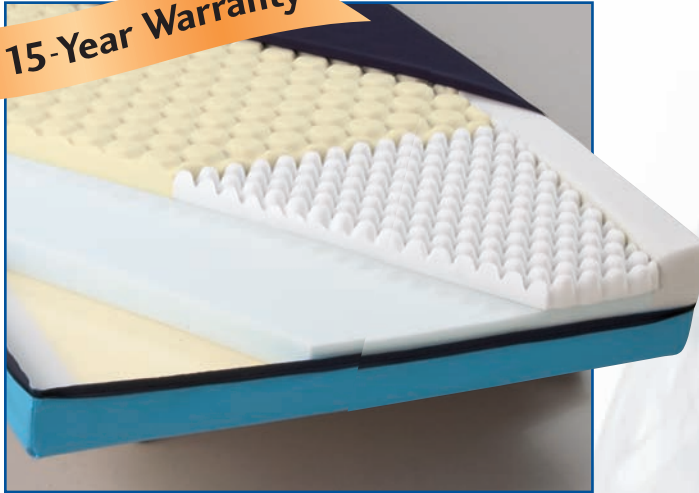

MEDLINE ADVANTAGE-FB STANDARD FEATURES

¹The resident risk classifications are for guideline purposes only and are not claims for efficacy on individual residents or patients. Mattresses are only one element in proper wound prevention and care. A complete clinical assessment of each resident should be done before selecting any therapeutic support surface.

The Advantage-FB Mattress Line The advantage is yours

15-Year Warranty

Advantage-FB 2000 High Risk or Stage I & II

The Octa-Zoned surface sculpted topper creates True Independent Load-Bearing Cells (TILBC) to cradle each and every bony prominence, greatly reducing pressure and shear. The variable-depth sculpting provides improved comfort while simultaneously creating horizontal airflow channels to lower surface temperatures and reduce moisture and heat buildup.

Item No.	Description	Pkg
MSCADV2076F	36" x 76" x 6"	ea
MSCADV2080F	36" x 80" x 6"	ea
MSCADV2084F	36" x 84" x 6"	ea

Advantage-FB 1700 Visco High Risk or Stage I & II

Viscoelastic memory foam is the standard for comfort and durability. Our Advantage-FB 1700 Visco features an anatomically zoned design, which allows the mattress to cushion bony prominences with incredibly low interface pressures. Two inches of viscoelastic foam (four inches in the heel!) provides outstanding comfort and pressure reduction. A sculpted center layer adds air channels designed to allow horizontal airflow and reduce moisture and heat buildup.

6-Year Warranty

MSCADV1776F	36" x 76" x 6"	ea
MSCADV1780F	36" x 80" x 6"	ea
MSCADV1784F	36" x 84" x 6"	ea

5-Year Warranty

Advantage-FB 1000 High Risk or Stage I & II

Our Octa-Zoned design combines all of the comfort features of the Advantage-FB 2000 with a more economical construction. The Advantage-FB 1000 provides excellent pressure reduction, thanks to TILBC. Variable-depth sculpting provides outstanding comfort and creates horizontal airflow channels to lower surface temperatures and reduce moisture and heat buildup.
