Peace of Mind: A Market Leading Exam Table with A Four-Year Warranty

This table is an unbeatable value and a smart choice in patient care.

Features include:

- One-piece upholstered top promotes quick, efficient cleaning after each patient.
- Steel frame for added strength.
- Multi-position stirrups adjust to wide and extra-wide angles for optimum patient comfort, while the pull-out step with slip-resistant tread provides additional safety.
- Independent operation of extra-wide leg extension and irrigation basin allows for quick transition during procedures
- Five large storage drawers keep supplies conveniently located (drawers will be on the patient's right side unless otherwise specified).
- UL listed, hospital-grade, dual electrical outlets located on front side of table offers easy access and the circuit breaker system activates if power is interrupted.
- Paper roll holder accommodates 18"-21" paper.

Back adjustment: horizontal to 90°. Height: 32"; length 54" extends to 72"; width 27". 400 lb. patient weight capacity.

Item No.	Description
MDR741700	General Purpose Exam Table*
MDR741701	General Purpose Exam Table with Pelvic Tilt and Warmer Drawer*

Colors are subject to change without notification. Vinyl used on the exam tables is manufactured to be sulfide stain, mold, mildew and oil resistant.

MDR748848	Economy Exam Table

Patient Comfort and Caregiver Convenience: Electric High-Low Table

The ability to adjust from 24" to 40". The low 24" position provides easy access to patients who are disabled, in wheelchairs, assisted by walking aids, geriatric and for women in their final trimester of pregnancy. 40" maximum height is ideal for Colposcope use and provides easier access to patients for taller care providers.

- Good for cleaning: a seamless vacuum-formed top with molded perennial recess.
- Independent operation of extra wide leg extension and 4" deep stainless steel irrigation basin allows for quick transition during procedures.
- Three-position pelvic tilt (flat, 7" and 11") and adjustable, multi-position stirrups offer optimum patient comfort.
- 6" deep side drawer to conveniently store gowns, drapes and pillows and a 4" deep warming drawer.
- UL listed, hospital-grade, dual electrical outlets located on front side of table offer easy access and the circuit breaker system activates if power is interrupted.
- Electro-hydraulic power system.

- Power height adjustment: 24" to 40".
- Power back adjustment: horizontal to 87".
- Length: 52" extends to 71". Width: 27".

Item No.	Description
