SKIN CARE FROM MEDLINE

pH balanced formulas to nourish, protect and revitalize the skin.

Soothe & Cool®

Soothe & Cool®

SOOTHE & COOL® SKIN CARE FROM MEDLINE

Cleanse

Soothe & Cool cleansers are mild to help preserve the pH skin balance.

Moisturize

Soothe & Cool lotions and creams condition and moisturize the skin with long-lasting and cosmetically-appealing formulas.

Covering the four basics of skin care

Soothe & Cool products are divided into categories. These include products that cleanse, moisturize, protect and treat.

NEW! SOOTHE & COOL HERBAL

For those who need additional moisturizing and conditioning, look for our new **Soothe & Cool Herbal** products with added natural ingredients.

Protect

We offer three different levels of protective barriers to relieve and guard the skin from harsh irritants.

Treat

Soothe & Cool provides fast-acting and effective antifungal and dandruff control products.

pH balanced formulas to nourish, protect and revitalize the skin.

Doing what's right for your patients

As more and more emphasis is placed on preventing skin breakdown and pressure ulcers, the best place to start is with good skin care. Soothe and Cool products are formulated with fragile skin in mind to help improve the well-being of your patients.

- *Soothe & Cool contains gentle, clinically effective ingredients that are pH balanced, for every day bathing and incontinent care.*
- *Added ingredients like aloe and vitamins A, D, and E are in many Soothe & Cool products to help soothe and condition the skin.*
- *Many Soothe & Cool products are fragrance free*

Aloe and added vitamins help Soothe & Cool soothe and condition skin.

Support from the company that's redefining clinical education

Naturally, a good skin care program involves more than just quality products. It includes education and resources as well.

Our 50 skin and wound care product specialists, and more than 800 sales representatives, are just the beginning of the support that Medline can offer your facility.

Medline is also dedicated to providing continuing education through our Educare seminars. Held all over the country, these 1-2 day courses cover a wide range of wound and skin care topics.

great resource for long-term care professionals responsible for quality of care, CMS compliance, and survey readiness. Full of helpful articles and tools you can use, and **free** to you and your staff.

Healthy Skin Magazine

You may be familiar with our Compass programs that provide valuable tools and resources to help you comply with CMS guidelines.

And, our extremely popular *Healthy Skin Magazine* is a

MSC096440	8 oz. spray bottles	12/cs

Canadian Willowherb plant

Soothe & Cool Herbal: A Natural Touch

Soothe & Cool Herbal products are enhanced with three natural herbal ingredients: Canadian willowherb, aloe vera and tea tree oil.

The juices of Canadian willowherb, native to the forested regions of Canada, have long been used as skin cleansers, fresheners and soothers for dry, delicate skin.

Aloe is one of the oldest medicinal plants, adding moisture to the skin and helping the skin retain its natural moisture longer. Aloe is an extremely beneficial ingredient in helping to moisturize and soothe the skin.

Tea tree oil comes from the leaves of *Melaleuca alternifolia*, a plant native to Australia. The oil has been shown to be very beneficial for skin care.

Soothe & Cool herbal products help restore natural moisture levels without leaving a greasy look or feel. 

Herbal Moisturizing Body Lotion

FORTIFIED WITH BENEFICIAL INGREDIENTS

Fortified with 5% urea, canola oil and aloe vera gel.

Melts quickly into dry skin

Can help soften the driest elbows and heels.

MSC095338	16 oz. jar	12/cs

Soothe & Cool®

Protect

12.

Soothe & Cool® from Medline

INZO Zinc Oxide Barrier Cream

AN INVISIBLE BARRIER

Designed to prevent moisture, urine & fecal matter from contacting skin. INZO allows the skin to breathe without being occlusive. Rubs in clear to permit easy monitoring.

Unique formula

Unique formula of 5% dimethicone and 5% zinc oxide. Dimethicone is a silicone-based barrier that also moisturizes the skin, while zinc oxide provides broad spectrum UVA and UVB protection.

It dries "dry"

Ideal for under tape, INZO leaves a non-greasy, invisible barrier. Non-petrolatum formula won't obstruct brief pores. Ideal for around ostomy sites or peri wound skin to protect skin from maceration damage.

No dyes, no fragrance

INZO is specially-formulated with no dyes or perfumes.

Enhanced ingredients

Vitamins A, D and E nourish the skin.

ITEM NO.	DESCRIPTION	PACKAGING
MSC095420	4 oz. tube	12/cs
MSC095422	8 mL unit pack	144/gr

Moisture Barrier Ointment

CREATES A BARRIER

Prevents moisture, urine and fecal matter from contacting skin. Ideal in cases of incontinence, post-op or wound drainage.

Made from pure petrolatum

A thin, occlusive layer of petrolatum protects in the presence of urine.

No dyes, no fragrance formula

Ideal for sensitive skin.

Enhanced formula

Vitamins A, D and E, along with aloe, nourish the skin.

ITEM NO.	DESCRIPTION	PACKAGING
MSC095380	2 oz. tube	12/cs
MSC095382	7 oz. tube	12/cs
MSC095384	5-gram unit pack	144/gr

Skin Paste

NEXT GENERATION BARRIER ABSORBS AND PROTECTS

Thick protective formula both protects (with zinc oxide) and absorbs excess exudate (with karaya gum).

Stays on the skin

Effective over wet, compromised skin. Stays in place and protects against moisture, urine and fecal matter.

Enhanced formula

Allantoin and aloe help heal while vitamins A, D and E help nourish the skin.

ITEM NO.	DESCRIPTION	PACKAGING
MSC095450	2.5 oz. tube	12/cs

Medseptic

MOISTURIZES AND PROTECTS COMPROMISED SKIN

Contains 50% USP lanolin, a natural emollient used since the time of the ancient Greeks.

Mimics the lipids in the skin

The majority of the natural oils present in the stratum corneum are also found in Medseptic

Helps provide beneficial skin care for diabetic patients

Lanolin is a recommended ingredient to help moisturize and protect the skin, especially on feet, legs, ankles, elbows and hands.

ITEM NO.	DESCRIPTION	PACKAGING
MSC095650	.5 oz. foil packet	144/cs
MSC095654	4 oz. jar	24/cs

Cornstarch Body Powder

ABSORBS MOISTURE AND ODORS

Made with cornstarch for natural absorption.

Non-caking and biodegradable for easy rinsing

Because it's made with cornstarch, it feels exceptionally soft, is biodegradable and rinses off easily.

ITEM NO.	DESCRIPTION	PACKAGING
MSC095390	4 oz.	36/cs
MSC095392	14 oz.	12/cs
MSC095394	1.5 oz.	48/cs

Soothe & Cool®
Treat

INZO Antifungal Cream

EFFECTIVE ANTIFUNGAL

With 2% Miconazole Nitrate, INZO Antifungal is effective against a variety of fungi including *tinea pedis* (athlete's foot), *tinea cruris* (jock itch) and *tinea corporis* (ring worm). It is also effective against *C. albicans* and Tricophyton mentagrophytes.

Invisible protection

Designed to prevent moisture, urine and fecal matter from contacting skin. INZO Antifungal allows the skin to breathe without being occlusive. Rubs in clear to permit easy monitoring.

Unique formula does not wash away

Easy to apply and spread, INZO Antifungal adheres well to wet or damp skin, such as skin folds, to keep working in places where fungi is most likely to grow.

Dries "dry"

Ideal for under tape, INZO Antifungal leaves a non-greasy, invisible film. Formula won't obstruct brief pores. Ideal for around ostomy sites or peri wound skin to protect skin from maceration damage.

Moisturizes and leaves pleasant fragrance

INZO Antifungal will bring more than protection to the skin. It also moisturizes and leaves a pleasant light fragrance.

ITEM NO.	DESCRIPTION	PACKAGING
MSC095632	2 oz. tube	24/cs
MSC095635	5 oz. tube	12/cs

Dandruff Control Shampoo

HELPS KEEP DANDRUFF UNDER CONTROL

Features specially formulated cleansers, conditioners and dandruff control to help revitalize and enrich hair. Contains pyrithione zinc which acts as an anti-dandruff agent, helping to stop recurrence of the irritation, itching and flaking associated with dandruff.

Mild formula

pH balanced formula and mild surfactants won't damage color-treated hair.

Dandruff is a medical condition, not cosmetic

Dandruff is a condition of the scalp caused by an overabundance of dead epidermal skin cells shed in large clumps. Dandruff scales look dry, white or grayish, appearing as small, unsightly patches, especially on top of the head.

ITEM NO.	DESCRIPTION	PACKAGING
MSC095088	8 oz. bottle	12/cs
